

**PRODUCT CODE: 272587**

**Buffer Solution pH 13.00 (20°C)**

---

TARIC 3822 90 00 00

The measure of pH in the quality control of our buffer solutions is traceable with the formulation according to U.S. National Institute of Standards and Technology Buffers .

**PHYSICAL DATA:** liquid, Miscible with water • D 1,008 • pH13,0 •

**BIBLIOGRAPHY:**
